About Meeting

We are pleased to invite all researchers, young scholars, delegates, experts and students from all over the world to attend the 2nd International Experts Summit on Traditional and Alternative Medicine (IESTAM2024) will be held in Lugano, Switzerland during August 05-07, 2024.

IESTAM2024 provides a platform of international standards where you can discuss and share knowledge on Traditional and Alternative Medicine to bring a unique forum for exchanging the information regarding the latest developments, finding solutions and enriching the knowledge. In addition to Presentations, Workshops, and Discussions, the conference also offers a unique venue for renewing professional relationships, and providing plenty of networking opportunities during the summit.

We're looking forward to Meghaz meetings with researchers from different countries around the globe for sharing innovative and great results in Traditional and Alternative Medicine.
