About Meeting

We are pleased to invite all researchers, young scholars, delegates, experts and students from all over the world to attend the International Experts Summit on Infrastructure and Construction (IESIC2024) will be held in Lugano, Switzerland during August 07-09, 2024.

IESIC2024 provides a platform of international standards where you can discuss and share knowledge on Infrastructure and Construction to bring a unique forum for exchanging the information regarding the latest developments, finding solutions and enriching the knowledge. In addition to Presentations, Workshops, and Discussions, the conference also offers a unique venue for renewing professional relationships, and providing plenty of networking opportunities during the summit.

We're looking forward to Meghaz meetings with researchers from different countries around the globe for sharing innovative and great results in Infrastructure and Construction.
